SCHOOL ORATORY CONTEST SCHEDULED

On Friday evening, March 5th, 14 high school students will compete in an original oratorical contest. This forensic activity will be held in the auditorium of the new Elementary School at 7:30 p. m.

STUDENTS competing in oratory must write an original oration of approximately 1200 words, memorize it, and then deliver the speech before a public audience. They may speak on any subject of their own choice. Among the subjects included in the orations are high school drop-outs, highway accidents, narcotics, athletes and alcohol, divorce, marriage problems, teenagers and sex, integration and segregation, cancer, medicare, and the world of the teenager. Their thoughts on these subjects are certain to challenge the minds of the adults who listen to them.

The contestants scheduled to compete in the oratory contest are: Martel Bohnmeyer, Steve DuBois, Nancy Dykema, Tom Hatfield, Mary Hirvela, Margie Eaton, Lynn Elsey, Marilyn Joseph, Dane Madsen, Dave Nethers, Judy Smith, Cheryl Smock, Elva Ward and Vicki Wells.

High School students; parents of the contestants, and the general public are all cordially invited and urged to attend this forensic event. It promises to be an outstanding evening of entertainment. Those who attend will be pleasantly surprised at the talent of today's youth.

First and second place winners will represent Grayling High School in the District Forensic Contest to be held at Roscommon sometime between March 22nd and April 10th.

Vikings Lose Season Finale

The Grayling Vikings traveled to East Jordan last Friday night for their final regular basketball game of the season and came out on the short end of a low scoring contest of 38 to 37 that dropped them into a tie for fourth place in the conference.

In their final loop action Friday night, Charlevoix clinched the title with a 91 to 55 victory over Harbor Springs. This dropped the Rams into third slot. Grayling was surprised by the Pellston Hornets 56 to 53. This game put Grayling into second place and assured Pellston of a fourth place tie. In a battle of the basement dwellers, Boyne City avoided last place with a 54 to 41 win over Mancelona.

Friday night, the Vikings trailed 11 to 10 at the end of the first frame and held on for a 21 to 20 deficit at halftime. Grayling came back to knot the score at 30 all as the final quarter opened. An 8 to 7 fourth frame spelled victory for the host team.

Richard Smith with 15 was the only Viking in double figures. Terry Smith added 6, Pat Thompson 5, LeRoy Neal 4 and Terry Wright 2. Mickey Bell with 14 was high for the Red Devils.

The junior varsity took a 19 to 18 first period lead over the East Jordan reserves but trailed at intermission 34 to 29. They dropped further behind at the three quarter mark 47 to 38. A 17 all fourth period gave the East Jordan reserves a 64 to 55 victory.

GRAYLING junior varsity coach Frank Smith said, however, that Grayling was demanding a forfeit of the contest as East Jordan used two junior classmen in the game in defiance of league rules for junior varsity contests.

The two juniors, B. Jones and B. Sturgell led the East Jordan attack with 23 and 20 points respectively. Steve DuBois was top scorer for Grayling with 15 points. Also in double figures for the little Vikings were Dane Madsen and Dale Slusser with 12 points each. Jon MacLeod added 9, Mike Corlew 6, and Bob Jackson 1.

Bowhunters Start Qualifying Rounds

The qualifying round of the winter League started off last Wednesday with what looks like a year of real tough competition. The Archers Ring changed hands three times, with Ed Malinowski first, then to Larry Wakeley and then to Bobby Smock.

High scores for the evening went to Free-Stylers, Ed Malinowski with 465 and Neil Olson with 445. Top Insticator was Bobby Smock with 442, followed by Jim Hatfield with a 419.

GRAYLING BAND WINS A TWO AT DISTRICT FESTIVAL

On Saturday, February 27th, the Grayling Senior Band attended the District Band Festival at Traverse City High School. After playing the three numbers required: "El Capitan March," by Sousa, "Over the Hills and Far Away," by Carter, and "Fantasy for Band" by Erickson, our band came off with a No. 1 rating which means almost perfect.

This rating means that our band is eligible for a medal which we hope will be worn on our new uniforms soon. Judges for the band adjudication were: Roy Jacob, Arthur Hills and Edward Smock. The night reading

gave three cheers for Mr. Christian and the good news.

Some of the good comments were as follows: "excellent cornet section, fine appearing band, mature in its playing, great potential, good sight reading ability, band shows much hard work done in final performance, good instrumentation, a nice band, receiving excellent training."

Other bands appearing at the festival which was a double fest- ival (one also at Petoskey) were: Kingsley, Suttons Bay, Northport, Elk Rapids, Kalkaska, Frankfort, Mancelona, Benzie Central and

Phil Lodge with a big 31 points led Frederic's attack. He was ably assisted by Steve Weaver's 19 counters. Fred House with 27-paced Vanderbilt with Romey Spreem chipping in with 19 and Tim Himebauch 11.

FRIDAY NIGHT at Rapid City, Frederic trailed 26 to 12 at the end of the first quarter and 48 to 32 at intermission. Rapid City outscored the Eagles 18 to 8 in the third canto but Frederic came back fighting with a 27 to 14 final period but fell short.

Rick Post with 22 and Phil Lodge with 19 were the top guns for the Eagles and were assisted by Steve Weaver and Jim Gauthier with 10 points each. Tom Atkinson with 30 was high for Rapid City.

Tuesday night, the Frederic reserves lost to the Vanderbilt jayvees 57 to 37. Tom Koernke with 15 was high for Frederic while Frank Montgomery with 17, was high for Vanderbilt. Friday night's first game was a junior high affair and the Frederic juniors lost 32 to 26. GRAYLING HIGH SKI TEAMS IN TWO MEETS

On Wednesday, February 17, the Grayling, Cheboygan, and Petoskey ski teams met at Thunder Mt. for a three-way ski meet. Both the Grayling girls and the Grayling boys teams placed second.

The times for the boys' teams were: Petoskey 378.8 sec., Grayling 502.0 sec., and Cheboygan 1018.2 sec. The Grayling girls had 491.5 sec. compared with the first place time of 353.7 sec. for Petoskey.

Mickey Stillwagon took first place for the Grayling boys with 115.4 sec. Karen Lowrie took first place for the Grayling girls with 127.5 sec. These times are for two slalom runs only; there was no giant slalom run, as time was a little short.

The conditions at Thunder Mt. were very icy, and most of the students from all three schools had a lot of trouble holding an edge.

Karen Lowrie has new skis, and she was not bothered too much, and her racing time shows it.

Mr. Al Anstead, the Cheboygan coach, set a very long and tough course, to prepare us, he said "for the regional state ski meet."

This was held on Saturday, February 20, at Caberfae.

Our last ski meet of the year is the annual Friendship Ski Meet between the Grayling and Gaylord ski teams. This year the meet was held at Grayling on Wednesday, February 24, 1965. Gaylord placed first for both the girls' and the boys' teams, while Grayling, the host school, took a humble second in each case.

Mickey Stillwagon placed first for all the boys in the slalom run and third in the giant slalom, while Karen Lowrie placed third in the slalom and Jody Wyman placed second in the giant slalom for the girls. Jody was using a new

House Bill Seeks Transfer Of Airport

Tenth District Congressman Elford A. Cederberg of Bay City has introduced House Bill 5277 into the Congress to seek transfer of the Grayling-McNamara Air Base from the United States to the State of Michigan.

THE REPUBLICAN Congressman introduced the proposed legislation on February 23rd. The bill seeks to place the right, title and interest in the 798 acres which the base covers in the hands of the State of Michigan to be used for National Guard purposes.

A similar bill was introduced in Congress a few years back by Cederberg but came to naught as the Pentagon felt at that time they did not want to give the base up.

D. C. T. MEETS HERE SATURDAY

The Department of Classroom Teachers, a department of the Michigan Education Association, held the regular winter meeting in the high school building here Saturday, with representatives from Charlevoix, Fairview, East Jordan and Mio as guests of the Grayling Teachers.

The morning was devoted to a coffee hour and business meeting conducted by Florence Mosier of Charlevoix, followed by a luncheon at Wirt's Lone Pine Inn.

Two of the three scheduled speakers were weather-bound, but Boyd Bosma, Constitution Chairman of the National Committee of Educators for Human Relations, although arriving late and somewhat breathless, brought such a graphic description of his work for the Committee and of his personal experiences as a target of the John Birch Society and other extremist groups that when the chairman reluctantly adjourned the meeting on schedule, Mr. Bosma was detained for quite some time by the questions of the group.

Date and place of the Spring meeting will be announced later.

Cederberg Aide To Be At Courthouse

Crawford County residents having social security, veterans pension or other problems in which the federal government is involved will have an opportunity to discuss them with Congressman Cederberg's field representative on Wednesday, March 10.

On that day Walter Nakkula, 10th district Congressional liaison, will be at the courthouse in Grayling between 10 a. m. and Noon. Facts presented to him will be forwarded to Congressman Cederberg for appropriate action. Callers are requested to bring with them any letters, identification numbers and other papers related to their problem.

Arno Plagens of Maple Forest, on the advice of his doctor, recently resigned his position as Supervisor for Maple Forest. He had served in this capacity for just ten years, and was beginning his eleventh. Mr. Plagens has owned property in Maple Forest for many years, and sixteen years ago moved to the farm to make it his permanent home. Mr. Plagens expressed his regret at having to resign, saying he had enjoyed the work while he was able to do it.

As noted by our Maple Forest correspondent, the Township Board met January 29th to accept Mr. Plagens' resignation, and appointed Roy Papenfus to fill the vacancy.

Mr. Plagens was a very long and tough coach, to prepare us, he said "for the regional state ski meet."

This was held on Saturday, February 20, at Caberfae.

KITCHEN ON WHEELS

In this day and age of plug-in kitchen appliances, the kitchen can follow you anywhere in the house. Invest in a wheeled cart large enough to hold at least three of your favorites: Toaster, electric frying pan and coffee pot, for instance for serving breakfast in a sunny parlor or a cool porch as weather, whim or an especially pretty view dictate.

GROOMING TIP

Limp veils on summer hats can be restored to perky freshness by ironing them between two sheets of waxed paper. Use a dry iron on a low-to-medium setting.

SURVIVING SPOUSE

Under certain conditions, a surviving spouse may have the advantage of using the tax rates under Schedule II which are the same as those used by persons filing a joint return.

There are five requirements to qualify:

- (1) Your spouse must have died in either of the two years preceding 1964; and
- (2) You must have been entitled to file a joint return with your spouse in the year of death. It is not required that you actually did file jointly, but only that you were entitled to so file; and
- (3) You have not remarried; and
- (4) You have a child or step-

child who qualifies as your dependent; and

(5) You furnish over half the cost of maintenance of your home which is the principal abode for your dependent child or stepchild.

When claiming the Surviving Spouse computation, you must use the Form 1040. You may not compute your tax as Head of Household as long as you are entitled to the benefits of Surviving Spouse.

A surviving spouse may file a joint return in the year of death. For the next two years, he or she may use the joint return rates as Surviving Spouse if the above conditions are met. However, the exemption for the decedent may be claimed only for the year of death.

Chevelle, America's favorite intermediate-size car, has clean new styling, wide doors, roomy, tasteful interiors and Chevrolet easy-care features.

Chevy II got a lot smarter for '65— but stayed sensible! Still family-size, easy to handle, economical, and the lowest priced Chevrolet you can buy.

A Long, Tough Session . . .

The President's budget, as was anticipated, calls for just under \$100 billion — \$99.7 billion to be exact. But this is only the administrative budget which is the one that makes the headlines. If new obligatory spending authority and the federal trust fund commitments are included, the figures rise to \$127.4 billion. And the President offered small hope for future reductions. In his words, "It is evident that unless defense needs should decline substantially, government expenditures will continue to rise over the long run." It is his expressed hope that, due to continued economic expansion, the nation will be better able to meet them.

Only time can tell as to that. Meanwhile, the requested appropriations, in large part, represent a start on building what the President calls The Great Society. This vast program is, to say the obvious, extremely controversial in many if not most of its parts. Though it has its roots in prior programs, primarily President Roosevelt's New Deal, nothing quite like it has ever been offered before.

The health section of the Johnson program — which he spelled out in a special message to Congress — is an example. The best known part of it is the medicare plan, for establishing a trust fund within the social security system to provide certain limited medical benefits to the elderly. But there is more. He proposes to establish federally-financed regional centers to attack heart disease, cancer and strokes, along with federal contributions to the cost of providing medical and dental service to needy children, scholarships for medical and dental students under certain conditions, grants to medical and dental schools, and various other steps.

Federal aid for education is also high on the President's list. If he has his way, appropriations for this purpose will rise 75 per cent to \$2.7 billion. Spending for the war on poverty will be increased four times. And substantial increases are asked in other areas, among them urban development which has come in for an increasing amount of criticism lately.

Along with this, Mr. Johnson seeks repeal of the 10 per cent excise taxes now imposed at the retail level on such generally used commodities as cosmetics and pocketbooks. It is believed that, later on, he will make specific proposals for reducing some of the other excise taxes which are levied at the manufacturing level. However, he favors some tax increases. One is to increase highway user charges. Another is a substantial increase in social security taxes — a person earning \$5,600 or more a year now pays \$174; in the future he would pay \$238. And many think that should medicare be adopted, its costs will be far greater than is currently estimated

and further major tax increases will be needed to pay the bill.

So, the programs go. And a good many members of Congress, within and without the President's party, are concerned about the costs and by the fact that another big deficit is the prospect. And the debt and the cost of servicing it could soar some more if the President's estimates of government revenue — \$94.4 billion — should prove overly optimistic. A typical comment came from the Portland Oregonian: "The President is counting heavily on continuing economic health to prevent a catastrophic deficit. We hope his hope is justified."

It remains to be said that this Congress really has its work cut out. It will be a long and arduous session.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

March 5, 1942

Two tournaments here this week — district basketball and ski tournaments. Winter sports season is just about finished. Grayling had a great and successful season. But now we may look with anticipation to the opening of trout fishing season. Only 50 more days.

Mr. and Mrs. David Moore of Higgins Lake announce the marriage of their daughter, Lucille, to Mr. Clayton Anthony, son of Mr. and Mrs. Charles Anthony of Grayling. The ceremony took place on Tuesday, February 24th, at the Evangelical parsonage, Pontiac, with Rev. Cletus Parker officiating. Mr. and Mrs. Herbert Feldhauser, sister and brother-in-law of the bride, were the attendants. The young couple will be at home in Grayling.

Next Saturday and Sunday Grayling Winter Sports park is offering a special program of events that promises to thrill the spectators as well as those taking part. There will be two days of keen ski contests. Saturday is set aside for boys and girls. On Sunday there will be cross-country ski racing over the new trails. Sunday afternoon there will be ski jumping contests.

Governor VanWagoner this week completed the signing of 22 measures passed by the recent special war session of the Legislature. Measures allow county boards of supervisors to provide fire protection in rural areas; permit the closing of estates in which foreign heirs are involved, make it a felony to steal an airplane; permit the Department of Health to continue free distribution of anti-toxins; provide for recording of unregistered births to help persons who must have such certificates to get war jobs. Other acts permit condemnation of flight-strips for airplanes along highways; save steel by permitting sale of farm tractors without guard shields over wheels; amend the Homestead Act to aid Army draftees; correct the description of a parcel of land being sold by the State; and repeal the camp doe law.

Sally Jo, little daughter of Mr. and Mrs. Clyde Smith, who has been ill with an ear infection, is much better.

Mr. and Mrs. Roy Newberry, two sons and daughter, left last Sunday for Sumter, South Carolina, to visit their son Gerald who is in the air corps as a mechanic.

Notice of registration for rationing cards appears on the front page in this issue of the Avalanche. Already we have been asked whether each individual has to appear personally before the rationing board. Joe Lemert, rationing board clerk, says that any adult person of authority in a family may register for each member of the family. However, a rationing card will be issued to each member.

Mrs. Lola Papenfus and son Charles and wife and baby returned home last Thursday from an auto trip that took them to Foley, Alabama, San Antonio and Edinburg, Texas, and over the border into Old Mexico. In all they traveled 4424 miles, without an accident or unpleasant incident, and not even a flat tire.

SELF EXAMINATION KEY TO PROTECTION

Breast cancer is the leading cause of death among women from cancer. There will be 62,000 new cases in 1965 and an estimated 26,000 deaths.

The American Cancer Society estimates that many of these lives could have been saved by earlier detection. The Society says that 82 percent of women could be saved if the cancer is found, when local

ized, against 48 percent when the cancer has spread beyond the original site.

Because of this, the Society, since 1950, has put strong emphasis on monthly breast self-examination and an annual health checkup, including an examination of the breasts. This can lead to early treatment, when breast cancer is most curable.

Moose Lodge Activities

Nine new members were enrolled into the lodge Saturday evening by our own Degree team. Belleville was scheduled to be here to enroll the new members, but couldn't make it. The WOTM served a very good meal of ham, with all the trimmings. Our next enrollment will be March 21st at 2:00 p.m. It is hoped to have Muskegon here for that enrollment.

There was an Officers' meeting Friday night, at which much business was discussed and taken care of.

Sunday the Degree team went to Mt. Pleasant, then on to Holly, to put on an enrollment. They attended a ritual school at Mt. Pleasant.

Frank Muth is in Mercy Hospital this week for an operation. Here's hoping you're feeling better Frank.

This Friday is Meeting night at the lodge at 8:00 p.m.

Saturday, both bowling teams, plus individuals are going to Yp-

silanti, for the Moose State Bowling tournament. Good luck fellas. They will participate in team, singles, and doubles events.

The list of interested persons wishing to be nominated for office for the coming year is coming along very nicely. Friday, March 12, is the deadline, unless you want to run for office by petition.

Saturday, March 13, we are having a St. Patrick's party at the club, with live music for entertainment and dancing.

It was learned Sunday, that Deputy Supreme Governor Andy Beck will be here for the enrollment in March.

BEYOND THE WORLD

THE CHURCH FOR ALL

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Strange, right? Not really! We're getting used to seeing pictures of our own earth. We're getting used to the concept of a universe instead of a world. We can believe that the moon's soon to become a landing place.

Does this familiarity with space — does our thrust into the physical unknown — make the basic facts of life and death any simpler to us? Certainly not! Man is in a peculiar position, today. The more he explores, the more vast he finds what lies ahead of him. The more he learns, the more he discovers how infinitely much there is to know.

More than ever before, man realizes how great the hand of God has been in fashioning this world, this universe, we live in. That's why people everywhere — including scientists, astronauts, space pioneers — are men of religious conviction. Go to church this Sunday, and see for yourself.

ROBINSON - DYER WED SATURDAY

Miss Arvilla Jean Robinson, daughter of Mr. and Mrs. Edgar Robinson of Route One, Kalkaska, became the bride of Kenneth Robert Dyer, son of Mr. and Mrs. Donald Dyer of Grayling, at four o'clock on Saturday afternoon, February 27, 1965, at Mt. Hope Lutheran church. The Rev. Donald Beyer officiated before the immediate family and a few close friends.

Mrs. Robinson chose for her wedding a white ballerina-length taffeta gown edged in pearls. Her fingertip veil was held with a pearl crown and she carried red and white roses.

Attending the bride was Barbara Pelke of Kalkaska, maid of honor, who wore a deep rose wool dress and with it pink and white carnations.

Ronald Smith was the best man. Mrs. Robinson chose for her daughter's wedding a teal blue wool costume. Mrs. Dyer wore a royal blue suit, and both mothers had corsages of white and pink carnations.

Following the wedding a reception was given at the home of the groom's parents at Lake Margrethe. A three-tiered wedding cake topped with miniature bride and groom centered the buffet table, which was decorated with wedding bells and silver.

After the reception the newlyweds left for Pontiac on a short honeymoon. Mrs. Dyer wearing a pink wool suit. She is a graduate of Kalkaska High school. Her husband is a graduate of Grayling High. The couple will be at home in Lansing.

Chamber of Commerce Minutes

Regular meeting Crawford County Chamber of Commerce, February 25, 1965.

Members present: Sal Truettner, Billie Forbes, Chuck Kroll, Sandy Thompson, Melvin Nielson and Frank May.

Members absent: Bill Tufts, Carol Wert and Marvin Miller.

Meeting called to order by Vice President Sal Truettner at 5:15 pm.

A financial report on the Winter Carnival will be given by Melvin Nielson at the next meeting. Some bills have not yet been received. Letters were read from Donald Welser of the Rustic Motel and Pony of the Americas Club. This club of nationwide fame has scheduled a Michigan Shore to Shore Trail ride in August, and half way ceremonies will take place in Grayling.

Frank May reported on the cost of construction of multi purpose float. Motion by Nielson and seconded by Kroll that he be authorized to supervise construction of this float to be finished in time for the Festival in Kalkaska. All Ayes.

The date of our Annual Meeting has been set for September 16th. Secretary was instructed to invite Earl J. Hill of Consumers Power Company to be the guest speaker. It was decided to table item No. two on the agenda, Membership Committee, until the return of Manager Longworth.

Sandy Thompson reported on the February 20th Canoe Race Meeting held in Mio. It will again be a two day race. The date will be decided at the next meeting to be held March 9th. Sandy agreed to find another representative to attend this meeting with him.

The invitation to participate in the St. Patrick's Day Parade in Bay City was discussed. Sal Truettner offered to look into the possibility of Lauri Olson, Miss Michigan Winter Sports, attending.

Letters regarding the presentation of a grayling fish to the new submarine GRAYLING were brought to the attention of the Board. Chuck Kroll promised to investigate the possibility of the ship being christened by a native of Grayling.

Chuck Kroll now feels able to resume his roll as Chairman of the Publicity Committee. The Board wishes to extend their appreciation to Carol Wert for his work on this committee in the past year.

A souvenir of Grayling is being made by Bear Archery Company. This is a leather target face, key chain with Grayling, home of Bear Archery printed on it. The souvenir will be handed out by Lauri Olson on guest appearances.

A letter of thanks to Mr. Gierke and his typing class for printing the monthly Norway was signed by the members of the board.

The March bulletin compiled by Carol Wert was offered for examination of the Board.

Motion by Billie Forbes and seconded.

Can't blame a little girl for snatching cookies! Especially when her mother bakes with Gas. Things taste better, have a flavor all their own because there's no stale air in a Gas oven. Fresh air circulates all the time. Incidentally, Gas ranges look as beautiful as they act. See them now at your favorite dealer or Gas Company showrooms.
